Science Island Express

The Science Island Express delivers the most recent big things happening at HFIPS.

AWARD

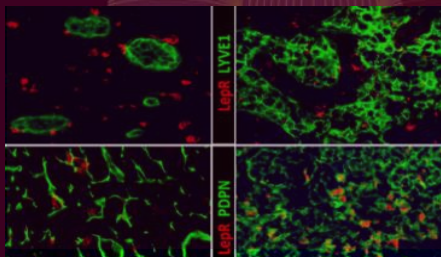

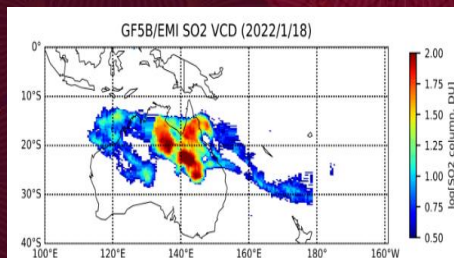

We are happy to announce that our longtime collaborator, our true friend Dr. Andrea Garofalo who is a senior scientist at the US national fusion facility DIII-D won the Award for International Scientific Cooperation of the Chinese Academy of Sciences 2021.

Congratulations and a big THANK YOU !

ENVIRONMENT

HFIPS's observational instrument aboard the Hyperspectral Observation Satellite send back its observation data of SO₂ distribution in a really short time after the Tonga eruption.

HEALTH

In a recent research of HFIPS, researchers identified a distinct population of leptin receptor-expressing stromal cells.
