Science Island Express

The Science Island Express delivers the most recent happening at HFIPS.

COLORFUL MAY

GLOBAL ENGAGEMENT

A Practical Agreement is signed between HFIPS and International Atomic Energy Agency (IAEA) to set forth the framework for collaboration in physics, technology, training and education in nuclear fusion research.

PUBLIC ENGAGEMENT

HFIPS opens again its door to the public this May who can visit research facilities, meet scientists, try experiment then to know how SCIENCE PREDICTS FUTURE, theme of Public Science Day this year.

WHOLE-ISLAND ENGAGEMENT

What happens when Art meets Science. The first Science & Art Festival kicks off on Science Island with a series of activities presenting SCIENCE and ART TWIN TOGETHER to DISCOVER BEAUTY and SEEK TRUTH.
